

FOR IMMEDIATE RELEASE:

**HINKLEY LIGHTING INTRODUCES THE HARDY ISLAND™ COLLECTION
Solid Cast Brass 12v Landscape Lighting System**

February 8, 2011 – Cleveland, Ohio – Hinkley Lighting presents “Hardy Island™”, a heavy duty, solid cast brass low voltage landscape lighting system that is a striking collaboration of form and function. This collection offers fully enclosed lamps and features a weathered brass finish that will mature naturally over time and is backed by an extended warranty.

Named for the ruggedly beautiful island off the coast of British Columbia that bears its name, Hardy Island™ is designed to withstand the harshest environments in style. The collection includes cast brass path, accent, spot and flood lights as well as several deck and well lighting options. Hardy Island™ spot lights can be combined with a variety of stem accessories for maximum flexibility and is also available as LED for an energy-efficient alternative.

Please contact Hinkley Lighting for detailed test information on photometrics for the Hardy Island collection™.

Located in Cleveland, Ohio, Hinkley Lighting has been a leading manufacturer and distributor of high-quality lighting fixtures for over 80 years and is driven by a passion to blend design and function in creating quality products that enhance the lifestyles of their customers.
