FOR IMMEDIATE RELEASE:

HINKLEY LIGHTING AWARDED 'BEST VISUAL PRESENTATION' FOR SWEET WINDOW DISPLAY

January 22, 2014 – Cleveland, Ohio – Dallas Market Center announced Hinkley Lighting as a winner for Best Visual Presentation at the January Total Home & Gift Market Best Visual Presentation Awards.

The theme for Hinkley's window was "Eye Candy." The display was inspired by an elegant French confection boutique brimming with sweet treats to tempt the eye. Chic chandeliers from the Morgan and Zelda collections took center stage, while extravagant sconces dripping with crystals from the Francesca collection were placed on either side of an antique mirror. A backdrop of geometric wall coverings added a modern touch. Muted tones of pale mint, pastel pink and soft cream accessories were framed by a rich, draping valance of cocoa colored silk while signage in a luxe gold tone combined to create a feast for the eyes. Custom Hinkley salted caramel truffles were handed out during a private customer party to complete the "Eye Candy" theme.

Judging for takes place twice a year during the January and June Total Home & Gift Markets. Visual design experts judged and recognized exhibitors with fresh, innovative and creative displays.
