

BUCHANAN

SINGLE LIGHT SCONCE

4980PN

Elegant exactness presides over Buchanan. To be precise, every detail is deliberately designed to lead the eye around the transitional silhouette, starting with the sharp chandelier angles up to the rounded, off-white silk shades. Art Deco influences, from the formal diamond-shaped junction boxes, floating canopy and loops to the highly Polished Nickel finish of the square tube arms, lend symmetry to the stylized look.
